SMARTEX

## AGENDA

Tuesday, 27<sup>th</sup> January 2009

The Hilton Green Park Hotel, Half Moon Street, London W1J 7BN Tel: +44 (0)207 629 7522

Time	Topic	Speaker
9.30am	Arrivals & registration	
10.00	Welcome & introduction	Owain Powell-Jones <b>Purchasing Card Forum</b>
10.15	Forum and industry news update	Owain Powell-Jones <b>Purchasing Card Forum</b>
10.30	<b>New developments in P-card scheme practicalities</b> This presentation will discuss newly refined processes for P-Card scheme operators and their suppliers, surrounding pre-authorisation and the use of purchasing cards in microfinance initiatives.	Nick Ogden <b>Voice Commerce Group</b>
11.00	<b>SEPA updated – why isn't it working?</b> This session will provide a breakdown of SEPA's political objectives and discuss how banks and corporates are struggling with SEPA in terms of gaining volume in the payments industry.	Gary Wright <b>B.I.S.S. Research</b>
11.30	Refreshment break	
12.00pm	<b>Multinational purchasing card programmes: Opening new markets</b> This session will discuss the global growth in P-Cards and provide an assessment of the current status of purchasing card across major European markets. In addition, further expansion to other countries, how they see cards – their constraints and challenges will be explored.	Keith Monaghan <b>GCPS</b>
12.30	<b>Cross-border issues for merchants using P-cards</b> This session will discuss the issues for merchants involved in e-procurement and P-Cards across Europe in terms of VAT, tax legislation and supplier engagement in different countries.	Panel discussion: Owain Powell-Jones, <b>PCF</b> Keith Monaghan, <b>GCPS</b>
1.00	Luncheon	
2.15	<b>PCI standard update and its regulatory impact on data breaches</b> Increases in data breaches, loss and theft in recent years has created a significant loss of customer confidence forcing the formation of an independent council designed to recommend sound data security practices. This session will explain how the PCI standard can make electronic commerce universally safer and easier to implement for the banking and P-Card industry.	Robin Adams <b>The Logic Group</b>
2.45	Refreshment break	
3.00	<b>Extracting LID data from level 1 suppliers</b> This session will discuss new developments to allow e-procurement operators the ability to obtain LID data from level 1 suppliers. Working processes, the ongoing need for level 3 data and tax issues will be discussed.	Sid Vasili <b>Invapay Payment Solutions</b>
3.30	Summary and close	Owain Powell-Jones <b>Purchasing Card Forum</b>
3.45	Informal networking reception
