Reply to: annabel@smartex.com

Time	Topic	Speaker
9.30	<i>Arrivals, registration and refreshments</i>	
10.00	Welcome and introduction to the Smart Payments Forum	Richard Poynder Smartex
10.10	Introduction to the day	David Birch Consult Hyperion (chair)
10:15	Trends and directions in e, m and online payments - a European perspective This session will give some IBM points of view on what is happening now and likely to happen in the next 3 years in the retail payments space. As a European-based Senior Business Consultant in IBM, Ray will discuss the factors affecting UK and European payments.	Ray Caradine IBM FSS NL
11.00	The advent of mobile and the digital wallet: the ultimate disruptive influence on traditional payment schemes This session will look at the challenges and opportunities ahead for mobile payments.	Udayan Goyal Anthemis Group
11.30	<i>Refreshment break</i>	
11.45	The role for eInvoicing within smart payments With the increasing use of electronic invoicing over the last 2-3 years, Tim will address the various drivers that have brought this about and then outline the opportunity this presents for eInvoicing and smart payment technologies to deliver joint solutions to the business community. Amidst growing pressure from the European Commission for the adoption of eInvoicing, and the need to reduce processing costs whilst also unlocking liquidity within supply chain finance, there is clearly an opportunity for innovation.	Tim Cole UK eInvoicing Advocacy Group Divisional Director, Causeway Technologies
12.15	Prepaid - turning the next wave into reality Prepaid has been defined; it is now ready for growth. Global Prepaid Exchange has a unique UK and international perspective of this fast-growing industry. This session will deliver some headline observations along with a case study to inspire debate.	Kevin Harrington Global Prepaid Exchange; Richard Cooper FIS
1.00	<i>Luncheon: during which there will be delegate discussions of critical payments-related topics and issues</i>	
2.30	Outputs from lunch discussions Summary of delegate issues and hot topics in the smart payments arena.	David Birch, Consult Hyperion (chair) plus nominated delegate representatives
3.15	<i>Refreshment break</i>	
3.30	Do fuel cards have a future? Rising fuel prices hit the headlines on a regular basis and represent an escalating cost for business. John will look at how fuel cards can be more than just a payment mechanism, and enable an organisation to manage its fuel costs effectively in the future.	John Pout Arval UK
4.00	Driving the customer agenda for alternative payments This session will look at customer payments experiences in today's world and the world in 2016, and will identify the challenges to get new payments fully accepted.	Attul Sehgal; Jose Quesada Royal Bank of Scotland
4.30	Meeting summary and close	Richard Poynder Smartex
4.45	<i>Informal networking session</i>
