10.00	Introduction to the day	Owain Powell-Jones Commercial Payment Card Forum
10.15	Market Buzz A summary of the latest industry news	Owain Powell-Jones Commercial Payment Card Forum
10.30	B2B Payments – a maze or a jigsaw? Payments are the lifeblood of commerce yet businesses are faced with a bewildering array of options. What's more, new technology and innovative applications of existing systems are fast blurring the boundaries between these options. The purchasing card needs to be seen in this context and its costs/benefits assessed alongside these other options. This session will outline some of the key pieces.	Vocalink Janet Reed Value Wales Andrew Aspell Office Depot
11.45	<i>Refreshment break</i>	
12.00pm	Challenges facing the travel industry, including an overview on the Tour Operators Margin Scheme (TOMS) Other than current volcanic clouds hanging over us, the travel industry has had to face other challenges with regard to the integration of card payments. This session will outline some of the problems faced and solutions found. With TOMS being another current hot topic, we will also look at the issues surrounding this scheme for those in the travel industry.	Brian Merry Hogg Robinson Group Martyne Pearson Deloitte Darren Wartnaby Carlson Wagonlit Travel (tbc)
12.45	Does extra data add extra value for the corporate client? Data now plays a pivotal role in any business. Commercial card systems and solutions can provide a wealth of data. That data can be used to generate value not just in terms of optimising internal processes and making VAT submissions more efficient, but also as a driver to increase business volumes. Leading practitioners will give their perspectives.	Andrew Aspell Office Depot Sid Vasili Invapay Payment Solutions
1.15	Meeting summary and close	Owain Powell-Jones Commercial Payment Card Forum
